

AAC(UK): UK MTB Training Grant Application

Important notices:

- 1) In order to receive a UK training grant with the AAC(UK), members need to complete this grant application form. Once a member has been notified by the office about their successful application for a MTB grant, members need to book and pay for their place directly with the provider.
- 2) Members are responsible for booking their own accommodation, (For MTB courses, the UK training grant is for course costs only, and does NOT cover food & accommodation costs)
- 3) Members should be aware that costs for transport are the responsibility of course members. (The UK MTB training grant doesn't cover any transport).

Conditions for applying for a UK Training Grants:

- 1) Members should note that the minimum age for a UK training grant application is 18 years (at time of course).
- 2) Applicants must be current members of the AAC(UK) at the time of the course and have paid membership in the previous year.
- 3) Up to 50% training grants are available to members aged 28 yrs and over, and up to 75% training grants are available to 18-27yr olds, (age at the time of the course).
- 4) Members will receive their grant on successful completion of the course (evidence from provider required)
- 5) Members need to read the training course information given by the provider to ensure they have the experience, fitness and equipment to complete the training course. If in doubt, contact the Office who will put you in touch with the MTB co-ordinator on the Activity Team who can advise.
- 6) Members need to be in good health to complete the training course. Contact the course provider for advice.
- 7) In order to improve future courses, participants agree to provide training feedback.
- 8) Course participants agree to contribute to the AAC (UK)'s programme of activities, ie lead MTB rides for Club members each year.
